Del Mar, CA 92014

To Whom It May Concern:

On behalf of Surf Sports, I am writing to request your support regarding the occasional school absences of the student listed above due to participation in Surf Sports events during the 2026–2027 season.

At Surf Sports, we recognize the importance of a player's education and actively work to minimize conflicts in the academic calendar. However, because teams travel across the country and internationally, athletes may need to miss a limited number of school days in order to compete.

Surf Sports is one of the nation's premier youth soccer event organizations, hosting some of the most prestigious tournaments across the United States and beyond. Over the past year, we hosted more than 200,000 top youth athletes representing the Best of the Best in the nation. These events serve as a platform by which kids can connect with colleges as well as the US National teams. More than 1,500 coaches from top collegiate programs attend Surf Sports events to recruit players, resulting in millions of dollars in scholarship awards.

This letter is to verify the travel commitment associated with competing in Surf Sports tournaments. Each tournament varies between 2-5 days in length, depending on the event format and level of competition.

The 2026-27 Surf Sports Events and Dates:

- **Surf Cup the Championship (U13-U15)** | Del Mar, CA | July 31 - August 3, 2026
